(Name and identify law enforcement officer, or person having information as probable cause.)

knowing that false statements on this form are punishable by law, state that the facts contained herein are true.

I have probable cause to believe that on 09-27-2018, at 2160 Wheeling Av in
(Date) (Address)

Kansas City, Jackson County Missouri Skylar Williams
(County) (Name of Offender(s))

R/S: B/M DOB: 07-12-1990 committed one or more criminal offense(s).
(Description of Identity)

The facts supporting this belief are as follows:

On 9-27-2018 at 2036 hours, Kansas City Missouri Police officers were dispatched to 2160 Wheeling Av on shots fired call. The call was up graded to a shooting. Upon arrival the officers found the victim lying in the parking lot deceased from apparent gunshot wounds.

Detectives located video surveillance from the homicide scene from Watch Tower Security which revealed the suspects arriving at the scene in a white Mercury Mountaineer. Two suspects are observed approaching the homicide scene. A flash of light can be seen in one of the suspect's hands while they are approaching the scene which appears to be the light of a cell phone. The shooting occurs and the suspects flee on foot, back to the white Mercury Mountaineer. The white Mercury Mountaineer flees the area. Several spent shell casings were located at the scene.

The video surveillance reveals the license plate to be HP0N2Y for Missouri. The license plate responds back to a 2003 Mercury Mountaineer, VIN: 4M2DU86W53ZJ10567, to Skylar Williams. Prior police reports reveal Williams to have a girlfriend by the name of Vanessa Broadway who has a listed address of 100 Edgerton Dr, Kansas City KS. Detectives responded to this residence and located the white Mercury Mountaineer parked on E. 1st St, in front of 2000 N. 1st St which is approximately 25 ft. from the apartment located at 100 Edgerton Dr. KCKS.

Detectives obtained a search warrant through the Wyandotte County Courts for the search of 100 Edgerton Drive, KCKS. The search warrant was executed and detectives located eight cell phones. A Kel-Tec pistol was located under a bed, inside the residence of 100 Edgerton Dr. KCPD Crime Lab results revealed this firearm to match spent shell casings found at the scene of the homicide.

On 10-30-2018, at 1220 hrs, Skylar Williams was arrested near 3201 Coronado Rd, KCKS. Williams was transported to the Kansas City, KS Police Department and escorted to an interview room. Williams was advised of his rights and agreed to speak with detectives. Williams confessed that he was at the scene of the homicide and heard a gun battle. He stated he arrived at the location in his vehicle alone and spoke with an unknown male. After hearing the gun shots he stated he left the area alone and drove to his girlfriend's residence located at 100 Edgerton Av, KCKS. Williams had no explanation for the fact that surveillance video revealed multiple occupants exiting his vehicle and walking down the hill toward the scene of the homicide. He was unable to explain why multiple individuals were seen running from the scene of the homicide, entering his vehicle and fleeing the scene.

PROBABLE CAUSE STATEMENT FORM

CRN 18-75050

Williams admitted that he is aware that he is a felon and is not to possess firearms and had no explanation for the aforementioned Kel-Tec pistol which was located at 100 Edgerton Dr. He had no explanation as to why this firearm which matched shell casing at the scene of the homicide, would be located at the residence where he stated he went to after the homicide. During the interrogation, Williams stated he could not tell us who else was involved in the shooting because he was afraid of retaliation.
