I, Det. Ethan Skinner #5677 Kansas City Missouri Police Department, Homicide Unit
(Name and identify law enforcement officer, or person having information as probable cause.)

knowing that false statements on this form are punishable by law, state that the facts contained herein are true.

I have probable cause to believe that on 07/08/2019, at E 31st Street/Van Brunt Boulevard in
(Date) (Address)

Kansas City, Jackson Missouri Albert P. Mangini
(County) (Name of Offender(s))

R/S: W/M DOB: 12/11/1978 committed one or more criminal offense(s).
(Description of Identity)

The facts supporting this belief are as follows:

On 07-08-2019 at 1326 hours, Officers of the Kansas City Missouri Police Department were dispatched to 31st Street and Van Brunt Boulevard, Kansas City, Jackson County, Missouri on a reported shooting. Upon arrival, they located the victim lying on the sidewalk on the northeast corner of 31st Street and Van Brunt Boulevard suffering from an apparent gunshot wound. Emergency Medical Services responded to the scene and pronounced the victim dead. The victim was transported to the Jackson County Medical Examiner's office where his death was ruled a homicide.

A witness was contacted and stated he heard one gunshot and then observed the victim fall to the ground. He then observed the suspect, who was wearing plaid shorts and a blue shirt, pick up two dark colored bags and walk northbound away from the scene. The suspect then attempted to get in the passenger side of a blue BMW. He lost sight of the suspect and the BMW briefly and then observed the BMW traveling northbound on Van Brunt Boulevard. Another witness stated he observed the suspect standing next to the victim. The suspect then reached into a dark colored bag and raised his arm up to the victim's head. He then heard a single gunshot and saw the victim fall to the ground. The suspect then reached back into the same dark colored bag and walked northbound away from the scene.

Surveillance video from the McDonalds located at 3051 Van Brunt Boulevard and the BP gas station located at 3027 Van Brunt Boulevard was obtained and showed the following: The victim is standing on the sidewalk on the northeast corner of 31st Street and Van Brunt Boulevard. The suspect gets off of a bus and walks towards the victim. The suspect is wearing plaid shorts and a blue shirt and is carrying two dark colored bags. The suspect walks around the victim several times, retrieves an unknown item from his waistband, and then raises that item to the back of the victim's head. The victim then falls to the ground and the suspect walks northbound away from the scene with his two bags. The suspect approaches a blue BMW and gets in the passenger side of the vehicle. The BMW travels northbound on Van Brunt Boulevard and then eastbound on Interstate 70.

PROBABLE CAUSE STATEMENT FORM

CRN KC19050897

Information was relayed to Officers in the area that a blue BMW was involved in the homicide. Officers observed a blue 2007 BMW 335I two door vehicle bearing a Missouri license plate of GD8V2F in the area of Independence Avenue and Woodland Avenue. Based on vehicle matching the description of the vehicle used in the homicide, its close proximity to the location of the homicide, and the short amount of time since the homicide occurred, the Officers conducted a car check on the vehicle. They observed the vehicle to be occupied by two white males. The passenger of the vehicle was wearing plaid shorts and was in possession of a blue shirt. At that time, the officers detained both occupants of the vehicle and the driver of the vehicle spontaneously uttered that the passenger just killed someone.

The occupants of the vehicle were transported to Police Headquarters for questioning where the driver of the vehicle stated the following: He went to the McDonalds and parked his blue BMW in the parking lot. At that time, the suspect attempted to get in the passenger side of his vehicle. The suspect was wearing a blue shirt and lifted it as if he had a gun in his waistband. He let the suspect in the passenger side of the vehicle and the suspect told him to go. The suspect told him he was a hitman and did a sloppy hit. He drove the suspect away from the scene because he was scared. He was eventually stopped by the police and was taken into custody.

The passenger in the aforementioned car check was identified as **Mangini**. At Police Headquarters, **Mangini** was advised of his Miranda rights and declined to make a statement to Detectives.

A criminal history check of **Mangini** revealed that he has multiple prior felony convictions, to include a conviction on 02-17-2017 out of Audrain County, Missouri for a felony charge of Resisting Arrest.

I believe that the defendant poses a danger to the community or to any other person because **Mangini** reportedly claimed to be a "hit man" and is suspected of committing the captioned murder with a firearm.
