PROBABLE CAUSE STATEMENT

Date: 9/12/2019

Report #: 200-18-05807

I, Scott Childers, a Detective with the Western Missouri Cyber Crimes Task Force, knowing that false statements on this form are punishable by law, state that the facts contained herein are true.

1. I have probable cause to believe that on 8/2/2018, at 17:35:00 UTC, Vincent Andrew Spilker, (Race- White, Sex- Male, DOB- 08/23/1990, Address-14560 Bannister Road, Kansas City, Jackson County, Missouri, 64139, [REDACTED], committed one or more criminal offenses in Jackson County, Missouri. 573.037 Possession of Child Pornography

2. The facts supporting this belief are as follows:

On 8/27/18, Sgt. Beth Taulbee downloaded and reviewed Cybertip #37873116 which was sent to the National Center for Missing and Exploited Children (NCMEC) by Tumblr on 8/2/18 at 17:48:59 UTC. The person being reported used the email address of billy_xjean@yahoo.com to create the account and used the screen name of billy-xjean. The Cybertip reported by Tumblr contained thirty-two photos and one video. Ten photos contained nude females who appear under the age of eighteen. Two photos show a female who appears to be under the age of eight years old, topless, laying on her side, in white panties, and posing sexually. Tumblr also included a captured IP address of 104.51.118.224 which belongs to AT&T. It should be noted that the information provided by Tumblr was just a sampling and not a complete list of the images that were on the Tumblr page.

On 1/24/19 a subpoena was served to AT&T requesting subscriber information for the IP listed above. On 04/08/2019, AT&T responded with the subscriber's information which belongs to the residence of 14560 E Bannister Road, Apartment 112, Kansas City, Jackson County, Missouri 64139. I contacted the apartment manager and was provided the information that Vincent A. Spilker, W/M, 08-23-1990 moved into the apartment in May 2018 and was placed on the lease at that time. On 6/17/19 an interview was conducted Vincent Spilker. During that interview, Spilker advised the Tumblr account registered with the user name of "billy jean" was his as well as the "billy jean" email address. Spilker advised he created the account with the name billy jean because he was a Michael Jackson fan. Spilker advised he could not accurately remember the last time he used the account but it had been a while. Spilker said he did in fact repost pictures of nude and partially nude females on the account. Spilker was not sure of the amount of pictures he reposted but said the girls appeared to be under the age of eighteen. Spilker said he believes some of the girls who were nude were probably between the ages of ten to twelve years old. Spilker said he knew reposting the pictures was wrong and he did not want to be the kind of person who shared pictures of nude young girls.

I applied for and received a search warrant through the Jackson County Courts for Tumblr. The search warrant was sent to Tumblr via email on 07-19-2019.

On 9/9/19, Tumblr satisfied the search warrant by sending the requested account information and content. Spilker's account contained the photos and video described above as well as additional photos and videos described below.

Below is a listing of some of the images and videos that appear to be child pornography:

On 8/2/18, Tumblr observed child pornography uploaded to its servers from Spilker's account (described above) and shut that account down. All images and videos of child pornography mentioned above were present on Spilker's account when the account was shut down by Tumblr on 8/2/18.
