She was helping a customer at register #21 (the register closest to the front door) when the black male subject walked behind the front counter and approached her. The black male subject removed a black handgun, from his right side and pointed it at her while demanding she open the cash register and give him the money. She said he yelled, "Open the cash register or Imma shoot you!" She complied, opened the register and the black male then grabbed the cash from the register and ran westbound through the parking lot where she lost sight of him. She was not injured during the incident. She advised just prior to the robbery a dark skinned black male wearing a white t-shirt, shorts, early 20's, short black twisty style hair, wearing red slides, later identified as **CANTON, RICHARD B/M 01-04-2002 (SUS1)** entered the store and stared at victim1 and then walked around the store. surveillance that has been conducted on **CANTON** at his girlfriend's residence, [REDACTED] Kansas City, Jackson County, Missouri in regard to a pattern of armed business robberies. **SUS1** is observed entering the store and appears to walk in a short circle around the register area of the store without purchasing items and then leaves the store. At 14:48:49 PM **SUS1** walks back towards Ford Fusion, At 14:49:21 **SUS1** disappears from camera view toward the driver's side of the Fusion. **SUS2** then exits the passenger side of the Ford Fusion at 14:49:52 PM and walks the same path as **SUS1** entering the [REDACTED] at approximately 14:51:03 hours wearing a black zip-up hooded sweatshirt with the hood up, a light colored face covering, red sweatpants and black shoes. At approximately 14:54:12 hours the **SUS2** walks behind the front counter and approaches the victim1 and points an apparent black handgun at her. Victim1 then opens the cash register and **SUS2** grabs the cash from the register and runs out of the front door, through the parking lot from which he came and entered the passenger side of the Ford Fusion at approximately 14:55:00 hours.

On 08-16-2024 city cameras show the Ford Fusion leaving the [REDACTED], where [REDACTED] is located and travels northbound on Benton Boulevard. The same vehicle is then seen on the city camera located at East Linwood Boulevard and Prospect Avenue, Kansas City, Jackson County, Missouri at 14:45:42 hours. The vehicle is seen at East 33rd Street and Prospect Avenue after the robbery traveling southbound on Wabash Avenue. At 14:56:22 hours at Emanuel Cleaver II Boulevard and Benton Boulevard the vehicle is observed where it then returns to the area of [REDACTED] at 14:59:30.

Covert surveillance cameras were monitoring the [REDACTED] on 08-16-2024 prior to the robbery and at approximately 13:05:29 a gray Ford Escape bearing Missouri license [REDACTED] which has been identified as the suspect vehicle in several robberies and the Ford Fusion pull into the apartment complex parking lot and back into parking spaces. At 13:06:33 the driver of the Ford Escape and the driver of the Ford Fusion approached the apartment door of [REDACTED], made contact with an undercover officer and then entered the building. At this time the driver of the Ford Escape, **SUS1**, was wearing a white t-shirt, black shorts, orange/red "croc" and the driver of the Ford Fusion, **SUS2**, was wearing a black t-shirt, red sweatpants with pockets on the legs, black Jordan tennis shoes, carrying a yellow backpack with unknown design.

At 14:33:03 the covert cameras show **SUS1** and **SUS2** wearing the same clothing enter the tan Ford Fusion with **SUS1** as the driver and , and **SUS2** as the passenger. The vehicle then leaves the parking lot.

The robbery at the Walgreens is reported at approximately 14:51:32 hours with the suspect described to be a black male wearing a black hoodie and red pants armed with a gun. The Ford Fusion is seen on camera returning to the apartment complex parking lot and parked at 14:59:49. The driver exits the vehicle and walks around to open the front passenger side door. The passenger exits and walks inside [REDACTED].

Detectives responded to the [REDACTED] to process the scene.

Undercover officers then began active surveillance on **SUS1** and **SUS2** and observe them exit the apartment building [REDACTED] and enter the Ford Escape. **SUS1** enters the driver seat and **SUS2** enters the passenger seat at approximately 16:58:29 hours and drive away. While active surveillance was being conducted, a felony car check was initiated on the Ford Escape and both suspects were placed under arrest and transported to Police Headquarters on a 24 hour investigative hold and the Ford Escape was towed to the Kansas City Tow Lot with a hold for the Robbery unit. Officers recovered a Glock 20 10mm handgun (serial

██████████ with 15 live rounds in the magazine and chamber. The handgun was observed in plain view on the driver's seat of the Ford Escape and for safety reasons was recovered prior to the tow.

While **SUS1** and **SUS2** were awaiting interviews, Detectives and covert elements with the Kansas City Police Department executed a search warrant on ██████████, Kansas City, Jackson County, Missouri. Prior to the execution of the search warrant the Ford Fusion used in the Walgreens robbery that had just occurred was towed to the Kansas City Tow lot on a hold for the robbery unit. For several days covert surveillance cameras were monitoring the residence due to **RICHARD CANTON (SUS1)** being the suspect and subject of interest in several armed business robberies spanning several months.

The similar modus operandi includes variations of clothing believed to be worn by **SUS1** during these robberies as well as usage of the gray Ford Escape **SUS1** was arrested in after the ██████████ armed business robbery on 08-16-2024. It should be noted below, **SUS1** stated he owns the Ford Escape bearing Missouri license ██████████ and stated there is a 'KC' sticker in the back. In all the robberies an AR pistol or handgun is used.

SUS1's name was first identified on 05-31-2024 (Approximately 0746 hours) ██████████, Grandview CRN 2400195 05-31-2024. ARMED BUSINESS ROBBERY. Black male (**SUS1**) wearing black facemask, black Nike hoodie, red plaid Chiefs pants, white and gray tennis shoes armed with an AR pistol. Detectives with the Kansas City Missouri Police Department reviewed the reports and a Grandview Police Officer contacted an area director for the Whataburger who stated he believed the suspect to be **CANTON, RICHARD**. The area director stated **CANTON** was fired approximately two weeks prior to the incident and recognized the black Nike zip up hoodie from the suspect in the robbery as being identical to a hoodie worn by **CANTON**.

After determining **CANTON** as a possible suspect in other armed business robberies detectives conducted a computer check of Missouri ██████████ through MULES 5 that responded back to OTH1, who is **SUS1's** girlfriend, and the license plate responded back to a Chevy. Detectives conducted a computer check of the Kansas City report writing system NICHE, typed in the above listed license number, and observed Kansas City CRN 23024817, Non Injury accident, involving OTH1 (who provided an address of ██████████, Kansas City, Jackson County, Missouri). In the report, **CANTON, RICHARD**, was a passenger in her 2011 Chevy Impala ██████████. **CANTON'S** name was recognized by detectives as he is a SUBJECT OF INTEREST in the Grandview, Missouri armed business robbery that occurred on 05-31-2024 listed above. Detectives observed a Vehicle Detection Report regarding License Plate Number ██████████. The vehicle was observed on 08-02-2024 at approximately 11:30:40 CDT at an address that appears to be in the area of ██████████ Jackson County, Missouri, which is the address of OTH1. On 07-12-2024 at approximately 07:09:55 CDT the vehicle was observed at an address that appears to be in the area of ██████████, Jackson County, Missouri, which is the DOR address of **CANTON**. eastbound from the area on Brush Creek Blvd and Paseo Blvd to the apartment complex where 3703 E 47th Ter is located. Based on the last location of **SUS1** walking away from the incident location northbound across Cleaver Boulevard toward Brush Creek Boulevard, Kansas City, Jackson County, Missouri it is reasonable that the Ford Escape is the SUS VEH in the incident.

08-13-2024 (Approximately 1037 hours) [REDACTED], Kansas City, Jackson County, Missouri, [REDACTED], Kansas City CRN 24062419. ARMED BUSINESS ROBBERY. Black male wearing black Nike hoodie, gray jogging pants, white facemask, light colored adidas slides with dark socks armed with a handgun. The suspect was observed on city cameras exiting and entering silver/gray Ford Escape bearing Missouri license [REDACTED] before and after the robbery. Approximate loss \$281.

Contact was made with victim 2, an employee of Subway. The suspect was determined to be a Black male wearing a black Nike hoodie, gray jogging pants, white facemask, orange/red crocs armed with a black handgun. Detectives reviewed city cameras and followed the SUS VEH, identified as the Ford Fusion used in the [REDACTED] robbery from 08-16-2024. City cameras showed the Ford Fusion travel from the apartment complex to Blue Parkway and Kensington Avenue, Kansas City, Jackson County, Missouri just to the west of the incident address. After the armed business robbery the suspect is observed entering the front passenger seat of the Ford Fusion and the Ford Fusion travels back to the apartment complex out of camera view.

08-15-2024 (Approximately 1045 hours) officers were dispatched [REDACTED], Kansas City, Jackson County, Missouri, [REDACTED], Kansas City on an ARMED BUSINESS ROBBERY, CRN 24062931. Contact was made with victims 3 and 4, both employees of the Burger King. The suspect was determined to be a black male, wearing black Nike hoodie with an apparent red shirt underneath, gray jogging pants, white facemask, orange/red crocs armed with a black handgun. Approximate loss from this incident was \$388. While conducting the investigation of the Burger King robbery that had just occurred, Detectives reviewed covert surveillance video and observed a black male walk out of [REDACTED] wearing a black sweatshirt, gray sweatpants and orange/red crocs wearing the same outfit the armed business robbery was committed in. The subject appeared to be **CANTON, RICHARD**. Detectives reviewed covert cameras, city cameras and [REDACTED] and followed the suspect from [REDACTED] driving the Ford Escape to area of 51st Street and Kensington Avenue, Kansas City, Jackson County, Missouri, walk to the [REDACTED], commit the armed robbery, walk back toward the Ford Escape, and then drive back to [REDACTED] and exit the Ford Escape wearing a red jacket and again the suspect appeared to be **CANTON, RICHARD**.

The search warrant executed at [REDACTED] on 08-16-2024 yielded several items of evidentiary value spanning several armed business robberies including, but not limited to the robberies above and will require further investigation. Large amounts of US Currency (Cash) totaling almost \$1700 was seized as well as a firearm that matches the description of a firearm used in several robberies as well as clothing associated with several robberies and the items were located in a bedroom where the wallet of **CANTON, RICHARD** was sitting on a nightstand.

On 08-16-2024 SUS2 was read Adult Miranda Warning and stated he understood his rights before questioning. SUS2 stated he was the individual that committed the robbery and prior to the robbery he and his friend he's known since 1st or 2nd grade, **RICHARD CANTON (SUS1)**, decided to rob the [REDACTED]. SUS2

stated **SUS1** drove the vehicle to the robbery location and would enter the [REDACTED] first, walk around the store (based on my training and experience is indicative with casing prior to a robbery) and then walk back to the car. **SUS2** stated if no words were spoken it was ok for him to commit the robbery. **SUS2** stated **SUS1** did not say any words, which was the green light to commit the robbery. **SUS2** stated the plan was for the both of them to split the money, but Police derailed their plans.

On 08-16-2024 **SUS1** was read Adult Miranda Warning and stated he understood his rights before questioning. For the majority of **SUS1**'s interview, he was belligerent and uncooperative. **SUS1** stated he was in a metallic Ford sedan prior to the robbery and stated he was at the [REDACTED], but did not rob anyone. **SUS1** stated he owns a Ford Escape with a 'KC' sticker on the back (the towed vehicle). It should be noted **SUS1** was also wearing bright orange/red crocs at the time of his arrest and they were recovered for evidentiary purposes.

I request a warrant be issued in this case because the defendant poses a danger to the crime victim and community. The underlying offense is a serious felony punishable by significant penalties that incentivize the defendant to fail to appear in court.

While driving they decided [REDACTED] was the business they were going to rob. SUSPECT 1 was the driver of the Ford Fusion when they arrived and parked the vehicle a block to the west of the business. SUSPECT 1 went into the [REDACTED] first, walked around the store and then walked back out to the driver seat of the car. He said SUSPECT 1 didn't say anything to him when he got back in the vehicle. Prior to the robbery they discussed if SUSPECT 1 got back in the vehicle and didn't say anything it meant it was good for him to do the robbery, if he drove off then it was off. When SUSPECT 1 didn't drive off he got out of the passenger seat, entered the [REDACTED] and then he said, "I robbed it, I pointed my gun at her and told her to open the register." He said the plan was for SUSPECT 1 and him to split the money 50/50 but they got arrested when he was counting his money and his gun and phone and money fell somewhere in SUSPECT 1's Ford Escape before he could even count the money.
