(Date) (Address)Kansas City, Jackson Missouri Cobbins, Jewell
(County) (Name of Offender(s))a black male, DOB [REDACTED], SS # [REDACTED] committed one or more criminal offense(s).
(Description of Identity)

The facts supporting this belief are as follows:

On 05/07/2024, at 1925 hours, officers with the Kansas City, Missouri Police Department responded to [REDACTED]
[REDACTED], Kansas City, Jackson County, Missouri, on a shooting call.

Upon arrival officers located [REDACTED] sitting on the front porch suffering from a gunshot injury to her chest. The officers were informed that [REDACTED] was inside the residence. The officers had secured the residence and had removed several adult women and eight children under the age of seven. The women and the children were removed from the larger scene when it was determined that there were shell casings on the sidewalk, in the street, and in the driveways of several residences. Members of the Kansas City, Missouri Fire Department arrived on scene and transported [REDACTED] to Research Medical Center for treatment. [REDACTED] was declared deceased at 1945 hours. It was later determined that [REDACTED] had been shot in the lower abdomen and upper thigh. [REDACTED] also had an apparent circular defect near his lower spine.

The scene was processed and 9mm shell casings were located in the driveway of [REDACTED] and 40 caliber shell casings were located in the driveway of [REDACTED]. 9mm shell casings were located in the street in front of [REDACTED]. 9mm shell casings and 40 caliber shell casings were located in the front yard of [REDACTED]. A single .556 caliber rifle shell casing was located on the front porch of [REDACTED]. Multiple 40 caliber shell casings and .223 caliber shell casings were located inside [REDACTED]. A Smith & Wesson SD 40 pistol was located in the living room laying on the floor of [REDACTED].

As officers and detectives were at the scene of the homicide, a notification was made that a gray or silver Chevrolet Malibu had arrived at Research Medical Center with a juvenile male, later identified as, [REDACTED], in the back seat, who had multiple gunshot wounds. Also, a black female, [REDACTED], and black male later identified as Jewell Cobbins were observed by security staff, who were using surveillance cameras, removing items from the Malibu and then placing the items behind a rock wall on the eastside of Prospect Avenue. Officers arrived and detained the black female who had been driving the Malibu and was later identified

as [REDACTED], the [REDACTED] of Jewell Cobbins and [REDACTED]. [REDACTED] and Jewell Cobbins were also detained. Additional officers arrived to Research Medical Center and an article search was conducted and three pistols were located behind the rock wall. It was determined that two of the pistols were 9mm caliber and one had an extended magazine, the third was 40 caliber pistol and had an extended magazine. The three pistols were recovered. [REDACTED] was not detained but was not allowed access to anyone other than medical staff for treatment.

Detectives arrived at Research Medical Center and determined that the Malibu had been at the scene of the homicide. This was due to the Malibu having damage to a side mirror and a broken window. Detectives at the scene of the homicide had located part of a side mirror and broken glass located in the street in front of the residence. Also, several people at the scene had provided information that a gray Chevrolet had been involved.

On 05/07/2024, at 2230 hours, Detectives conducted an interview with Jewell Cobbins with his [REDACTED], [REDACTED], present at Police Headquarters. A Deputy Juvenile Officer was also present.

Jewell Cobbins stated the following: His friend, [REDACTED], had allowed him, his girlfriend, [REDACTED], his [REDACTED], and his mother to sleep at the house at [REDACTED] on the night of 05/06/2024. Jewell Cobbins stated that there was a male there that showed up telling him to get out of the house. The unknown male had a gun pointed at him telling him to get out of the house and Jewell Cobbins told him they were leaving and they had come in peace. As he was getting in the Malibu, the unknown male began firing at him, his family and the car they were occupying.

Jewell Cobbins added that only the one male kept telling him and his family to leave the house. The unknown male was in his 20's, tall, with dark skin, and was wearing grey clothes, possibly a hoodie, with the hood up. [REDACTED] interjected during the description stating that the male she believed was in his 40's. Jewell Cobbins described the gun the male had as a handgun. A detective asked what happened when they exchanged words. Jewell Cobbins stated that the male was already yelling at the women in the residence. Jewell Cobbins clarified that his [REDACTED] was in the Malibu when he walked out of the residence. He was not sure where his [REDACTED] was located. Jewell Cobbins denied having a gun. A detective asked when they drove to Research Medical Center why he went across the street. Jewell Cobbins stated he felt like he was going to throw up and went across the street. Jewell Cobbins was asked by a detective to be honest about having guns when the shooting took place. Jewell Cobbins again stated that he and his [REDACTED] did not have guns, that they were taken by police a month ago. [REDACTED] told him that there were cameras and to tell the truth. A detective again asked Jewell Cobbins if he had hidden anything at Research Medical Center, and again he stated no he did not try to hide anything. When asked if his hands would have gunshot residue on them, he stated yes, that it was from a couple of weeks ago.

Jewell Cobbins then stated that the male who was holding a gun telling them to leave the residence began firing a gun as he was walking to the Malibu. He then changed his story stating he did have a gun, and when he was fired upon he returned fire at the unknown male that was firing at him. He was adamant that he only fired two times, he then got in the Malibu with his [REDACTED], [REDACTED] and [REDACTED] and went to Research Medical Center. He knew he wasn't supposed to have a gun and that was why he lied about having a gun. He also knew that he couldn't take the gun into Research Medical Center and, therefore, when they arrived at Research Medical Center he went and hid the gun across the street. When asked if anyone else had a gun, he stated that so many other people had

PROBABLE CAUSE STATEMENT FORM

CRN KC24029132

guns, but he wasn't sure who exactly had guns. He added that he was the only one between his [REDACTED], [REDACTED], and [REDACTED] that had a gun. A detective asked where the unknown male was at and where he had his gun, as he was leaving. He said that the unknown male was by the front porch and that as soon as he got in the Malibu, the unknown male began shooting up the Malibu. He reiterated that he had never seen the male before. When asked who the other gun belonged to that was found at Research Medical Center, as there were two guns found, he stated he did not know, that he only knew about his gun, a Glock 19. He did not know whose other guns were in the car, but he knew they couldn't have them at the hospital. A detective asked if he saw anyone else other than the male shooting at him. Jewell Cobbins stated there was a lot of people shooting, he only fired two shots, he saw his [REDACTED] was shot and began helping his [REDACTED]. He added that the scrape injuries to his arms were from when he was getting into the Malibu, and due to the shots being fired he fell on the ground. He denied knowing or recognizing any person or their name who was shooting. He stated that he only shot in the air, "like a warning" as he was getting in the Malibu. He again stated that it was his idea to hide the guns at Research Medical Center and that no one helped him hide the guns.

Detectives exited the room, leaving [REDACTED] and Jewell Cobbins in the interview room alone with cameras still recording and they were knowledgeable about this. [REDACTED] stated she did not know that her [REDACTED] had left the vehicle during the shooting. [REDACTED] told him that she had to drive down a little bit to pick him up. [REDACTED] also made a phone call to someone named [REDACTED]. In this conversation [REDACTED] tells [REDACTED] that some grown person started shooting at the boys and her car. [REDACTED] stated that her son's friend went into the house to get Jewell Cobbins, and as he was getting into the car a whole bunch of gun fire began. [REDACTED] stated she saw Jewell Cobbins on the ground and thought he was shot, then she saw that [REDACTED] was out of the Malibu and a few houses down from where she was at. [REDACTED] asked [REDACTED] if both of her [REDACTED] shot back and [REDACTED] stated yes, they all did. The person on the phone asked Jewell Cobbins who all was shooting back at the house and he stated just him and [REDACTED] were shooting back.

On 05/07/2024, detectives conducted an interview with [REDACTED] at Police Headquarters. [REDACTED] provided an initial statement regarding the events that led up to the shooting at [REDACTED]. After providing Detectives with her initial statement, it was clear that [REDACTED] wasn't being truthful. She stated that she was with [REDACTED] in the Malibu and they had gone to pick up her [REDACTED], Jewell Cobbins. While inside the front passenger seat of the Malibu she heard what sounded like multiple gunshots, so she ducked and didn't observe anyone shooting. After the shooting, she was told to jump in the backseat and apply pressure to [REDACTED] wounds while he was being transported to Research Medical Center.

It should be noted, [REDACTED] denied any involvement regarding the shooting and denied touching/moving the handguns used in the shooting. [REDACTED] gave consent to a buccal swab and her hands were processed for gunshot residue. During the break from the interview for the collection of evidence, the detectives conducting the interview received additional information, and when detectives entered the interview room to continue [REDACTED] advised she didn't want to answer any further questions as she was tired. She was then transported to Metro Patrol Detention.

On 05/08/2024, Detectives responded to Metro Patrol Detention to provide [REDACTED] a chance to add any information to her initial statement. This was due to the information that Jewell Cobbins had provided and security footage from Research Medical Center showing her hiding the pistols with Jewell Cobbins.

PROBABLE CAUSE STATEMENT FORM

CRN KC24029132

Upon arrival, detectives were advised that [REDACTED] was in the lobby of the Metro Patrol Division and wanted to speak to detectives. [REDACTED] provided information about [REDACTED] and Jewell Cobbins' relationship and that there was continuing physical abuse by Jewell Cobbins. [REDACTED] was allowed to be in the interview with [REDACTED]. Upon entering the interview room, [REDACTED] advised that she wanted a lawyer present. The detectives stopped all questioning, but [REDACTED] asked to speak to [REDACTED] in private. The detectives left the interview room and upon returning [REDACTED] advised that [REDACTED] wanted to provide her statement. [REDACTED] was again advised of her rights, at which time she stated she understood her rights. [REDACTED] acknowledged that she did retrieve a handgun from the Malibu and placed it in the trunk, which is consistent with the surveillance video from Research Medical Center. [REDACTED] added that she went back to the trunk and retrieved the handgun and gave it to Jewell Cobbins. Jewell Cobbins told her to grab a handgun that was in close proximity to where [REDACTED] was sitting in the Malibu. Jewell Cobbins took the handguns and placed them near a rock across the street from Research Medical Center.

On 05/08/2024, Detectives conducted an interview with [REDACTED], at Research Medical Center. She stated that on 05/07/2024, she was with her sister [REDACTED] and [REDACTED], who is [REDACTED] boyfriend, and they had gone to the residence to visit their mother.

When they arrived, she observed a Chevy Malibu parked on the street in front of the residence. Two females were seated in the front, and both rear passenger doors were open on the Malibu. A black male that she did not know was at the rear passenger door armed with a handgun. The male standing at the Malibu, [REDACTED], was a black male wearing a black hoodie and blue jeans.

She went into the residence, but [REDACTED] went to contact the occupants of the Chevy Malibu. [REDACTED] and [REDACTED] contacted [REDACTED] inside the house and tried to get him to leave the house, as he seemed upset and was "going off about something". [REDACTED] stated [REDACTED] is the boyfriend of another of her sisters. She told [REDACTED] "please just go, there's a lot of kids here". She briefly spoke to her mother, who was in her bedroom. As she exited her mother's room she saw another male, Jewell Cobbins, coming upstairs at the same time as [REDACTED].

She looked outside to see three of her sisters standing outside, along with [REDACTED], still standing by the Malibu with his gun out and Jewell Cobbins, who came upstairs with [REDACTED], standing in front of the house with his gun out. She called for her sisters to come inside, but as she did, gunshots started. She stated the first shots were fired by the two [REDACTED] and that she knows the bullets that struck her were fired by [REDACTED] who had been standing by the Malibu. She knew this due to watching him lower his stance, point his gun at her and open fire. She stated [REDACTED] was behind her when she was shot, and Jewell Cobbins was standing too close to her, and that if he'd shot her, she would not have survived. She was shot in the left side of her chest, both legs, and one arm.

On 05/10/2024, a detective interviewed [REDACTED] at Research Medical Center. She provided the following statement. The disturbance arose from her families attempt to get [REDACTED] and his friends, Jewell Cobbins and [REDACTED], to leave the house. Both [REDACTED] became argumentative as they gathered their things which included firearms.

PROBABLE CAUSE STATEMENT FORM

CRN KC24029132

She further indicated that because the [REDACTED] were "clutching" their firearms, her husband, [REDACTED], pulled his handgun out and escorted the [REDACTED] out of the house. Once the [REDACTED] began to get in their car, [REDACTED] and [REDACTED] disengaged and began to walk inside. It was when they turned their backs on the [REDACTED] that the [REDACTED] started shooting.

[REDACTED] and [REDACTED] were shot on the first volley. She then described how [REDACTED] and two of their other sisters grabbed each other in an effort to get to safety and fell down the stairs inside the residence. She injured her leg and struck her head on a doorknob on the way down. She further explained that when the shooting first began, [REDACTED] was still in the basement gathering his property. He then charged upstairs, stepping over her, [REDACTED] and their other [REDACTED], while yelling "you're not going to shoot my brothers."

On 05/08/2024, [REDACTED] was transported to KU Medical Center for additional treatment. A detective was contacted by a social worker and detective for KU Medical Center, who both provided information about incidents that occurred with [REDACTED] while he was receiving medical care. It had been determined that [REDACTED] legal and sole custodian was his [REDACTED], [REDACTED]. She was provided access to [REDACTED] in a restricted ward. It had been explained to her that she was not to provide him any means of contact with other people. She surrendered her cellphone, watch, and tablet. It was quickly observed by medical staff that the [REDACTED] had provided [REDACTED] with a cellphone and he had called his [REDACTED] and his [REDACTED]. [REDACTED] was heard making statements that he had emptied a clip into his close friend because he had pointed a gun at him. [REDACTED] also stated that he wanted drugs and a Glock 19 (pistol). He said he wanted the Glock because his family was not doing anything to avenge him being shot. [REDACTED] was removed from the hospital and she threatened to remove [REDACTED] from medical care, against medical advice. [REDACTED] also made statements that she would not let [REDACTED] be arrested. The hospital took custody of [REDACTED]. A detective received additional information that [REDACTED] had wondered into other patient's rooms and had assaulted a staff member.

Detectives received a copy of a Raytown, MO Police Department report for one of the pistols that was recovered across from Research Medical Center. The report was for a Glock 19 being stolen from an address a block from [REDACTED] and [REDACTED] residence.

A detective contacted the residents at [REDACTED]. The residents provided a thirty second video clip that showed [REDACTED], who was wearing a black hoodie, dark pants, and carrying a gray backpack, running north on the sidewalk in front of the residence. [REDACTED] is seen driving the Malibu south on [REDACTED]. [REDACTED] stopped the Malibu and [REDACTED] got into the back-driver's side passenger seat. There was audio with the video and [REDACTED] could be heard and seen yelling "Let's go. Get his gun." [REDACTED] then drove the Malibu south on [REDACTED].

Detectives contacted security staff at Research Medical Center and were provided with surveillance video of the Malibu arriving in the ambulance bay. A review of the video showed [REDACTED] exiting the driver's seat and [REDACTED] exiting the rear passenger seat. [REDACTED] was observed exiting the rear driver's seat wearing the same clothing from the other video and still carrying the backpack on his back. He appeared to have injuries to both arms and was limping. There was additional video of Jewell Cobbins, who was wearing a black T-shirt

and red pants with white strips, running from the helipad to meet [REDACTED]. Both of them could be seen crossing the street and ducking behind the rock wall and then returning to the ambulance bay as officers arrive. No other persons approached the rock wall until officers go to the area and locate the three pistols.

A detective contacted the owner of [REDACTED] and confirmed that the incident had been captured on a Ring doorbell camera system. The video was recovered and reviewed by detectives who observed Jewell Cobbins, who was wearing a black T-shirt and red pants with white strips, exit the front door of the residence. As he exited, he was holding a black pistol in his left hand and pointed it back at [REDACTED], who was exiting behind him. Jewell Cobbins was also arguing about leaving the residence. [REDACTED] was wearing a blue T-shirt and white pants. [REDACTED] could be heard telling Jewell Cobbins to leave. [REDACTED] was holding a black pistol in his right hand but did not raise the pistol and stopped in the middle of the front yard by a large tree. [REDACTED] then walked back to the residence as Jewell Cobbins walked off the property towards the Malibu that was stopped in the street in front of the residence. Jewell Cobbins walked to the rear driver's side door of the Malibu. [REDACTED] was standing on the porch and could be heard telling [REDACTED] that she was calling the police. As [REDACTED] reached the open front door of the residence, with his back to the street, gun fire could be seen coming from where [REDACTED] was standing on the passenger side of the Malibu. Jewell Cobbins also began to shoot at the residence from the rear driver's side of the Malibu. [REDACTED] could be seen stumbling and appeared to fall into the residence having been struck in the back. [REDACTED] was struck before she entered the residence. Jewell Cobbins moved to the north of the front yard and continued to fire at the residence. [REDACTED] ran south towards [REDACTED]. The Malibu could be seen moving south. An unknown person's hand could be seen at the edge of the front door firing a black pistol at the Malibu. Jewell Cobbins ran to the Malibu and got into the passenger side. The Malibu then drove south. A moment later [REDACTED], wearing black, exited the residence carrying a black rifle. [REDACTED] was last seen running south on [REDACTED] with the rifle. [REDACTED] then came outside and sat down on the porch.
