The victim screamed and Odums held a knife to her side stating "shut the fuck up." Odums then entered the back driver side seat, placed the knife against the victim's neck and stated "drive where I tell you to drive." She began driving west and was forced to stop the vehicle on the side of Holmes Rd. just north of 39th St. Odums demanded money at which time the victim gave him twenty dollars she had in her pocket. Odums then forced her to continue driving and directed her to the Bank of America located at 331 Westport Rd. Odums told her to withdraw \$500; however, she did not have the funds on the card she was attempting to use and only withdrew \$140-\$160. She was then instructed to drive to the Great American Bank located at 3901 Main St. The ATM would not work at this location and she did not withdraw any money. Odums then forced her to drive to the Bank of America located at 3100 Main St. where she was able to withdraw \$240 before telling the suspect she could not withdraw any more funds.

At this point Odums made the victim start driving again. The victim is not familiar with the area and does not remember the exact route she took. Odums continued giving the victim instructions on when and where to turn. After driving around for a short period of time Odums forced the victim to park the vehicle on the side of the road in front of a house, in a residential area. Odums then removed the victim's work identification badge from

her shirt and began saying her name while masturbating. He then forced the victim into the back seat of the vehicle. **Odums** forced the victim to remove her pants and underwear and “make herself wet.” He then attempted to penetrate the victim’s vagina with his penis. The victim stated he penetrated her vagina, but not fully. **Odums** became angry and forced the victim to use her hands and masturbate his penis. He then forced the victim to bend over the back seat and penetrated her vagina with his penis. He was again unable to penetrate her vagina fully. She was then forced onto her back and **Odums** briefly performed oral sex on her. He then removed her right breast from her shirt and bra and began sucking on it. **Odums** then penetrated her vagina again and was able to force his penis fully inside her vagina for a short period of time before he began masturbating and ejaculated in the back seat of the vehicle.

Odums then used papers that were inside the vehicle in an attempt to clean the ejaculate. He also used dash board wet wipes the victim had in the vehicle to wipe the windows and several others areas inside the car. **Odums** then forced the victim back into the front driver seat and told her “don’t think about calling the police, obviously I know where you live and if you do that, I’ll just kill you next time.” **Odums** then fled in an unknown direction.

The victim then responded to Central Patrol Division station where she was taken to St. Luke’s Hospital for a SANE exam.

From the SANE exam and samples recovered from the crime scene the Kansas City, Missouri Police Crime Lab was able to develop a full genetic profile from an unknown male source. This profile was entered into CODIS and a hit responded back to **Odums**, a convicted offender in Louisiana.

On 02/14/2017 at 1515 hours **Odums** was taken into custody. He was later advised of his Miranda Rights which he stated he understood and wished to provide a statement. **Odums** was presented a photograph of the victim and asked if he recognized her. He stated he does not recognize the pictured female and has never met her. He has never been inside her vehicle. **Odums** was advised his DNA was collected from a breast swab of the victim. When given these facts and asked, if he has never met the victim, why his DNA was found on her person, he responded by saying, it must either be a mistake, or he has a twin somewhere.

Odums continually denied having any involvement in this incident. He could not provide any reasonable explanation for the presence of his DNA.

Odums was presented with a signed search warrant for a DNA buccal swab and head and pubic hair standards. He advised he would not cooperate with the collection of these items and was then placed into handcuffs. KCPD Crime Scene Technician Simmons then explained he would be collecting the buccal sample from **Odums** cheek, at which time **Odums** sat on the floor, closed his mouth and leaned his head forward in between his legs. Detectives were able to lift his head and open his mouth while the buccal swab was collected. **Odums** then complied while the remaining articles were collected.

Upon completion of the interview and while awaiting transport to a division station for booking, **Odums** was able to move his handcuffed hands in front of his body. He began manipulating the interview room camera, rendering it inoperable. The camera was later repaired and began functioning normally. Additionally, **Odums** wrote "fuck the police, MOB (money over bitches)" on the dry erase board in the interview room.
